

CANCER IN IDAHO: PUBLIC FORUM

Please come provide information that will help us develop a Statewide Comprehensive Cancer Control Plan for the State of Idaho.

A Public Forum is being held in your region.

Boise, ID

Wednesday, November 2, 2005

6:00 p.m.-9:00 p.m.

Airport Holiday Inn, Peregrine Room

3300 S. Vista Ave.

Please RSVP 5 days prior to the forum. Leave your 1) name, 2) telephone number, 3) affiliation, if any, and 4) the date and location of the forum you will attend with Marsha Bracke, Bracke & Associates, Inc., at 208-442-1760 or e-mail mbracke@earthlink.net. Light refreshments will be served.

Forums are open to anyone interested in addressing cancer issues in Idaho. Forums are designed to help us collectively identify issues and barriers associated with cancer prevention, early detection and diagnosis, treatment, quality of life and survivorship. We will also collect your suggestions on how best to address the issues. This information will be used to develop the Statewide Comprehensive Cancer Control Plan.

Forums are sponsored by the Comprehensive Cancer Alliance for Idaho and hosted by the Idaho Department of Health & Welfare. For more information, contact Marsha Bracke at 208-442-1760/ mbracke@earthlink.net or Patti Moran, Cancer Control Program Manager, IDHW, 208-332-7344.
